Mutawakel Hatem

Student

I am Mutawakkil Hatem, I study at Al-Jazeera University, Faculty of Mathematical and Computer Sciences, majoring in statistics and computer science , highly motivated and detail-oriented software engineer with a passion for creating efficient, scalable, and maintainable software solutions. With 4 years of experience in the industry, I have a strong background in [Java , React.Js, Html&Css&Js , Git&Github] , coupled with excellent problem-solving skills. I thrive in collaborative environments, where I can leverage my expertise to contribute to the development of innovative software products. I am adept at front-end development, with a proven track record of delivering high-quality code on time and within budget. My dedication to continuous learning allows me to stay updated with the latest technologies and industry trends, ensuring that I can effectively tackle any challenges that come my way
